[A History of Children's Play and Play Environments](#)  
Chapter 2 describes the play and play environments in  
early America from colonial times through to the western  
expansion. The play of Native American children as well  
as the play and work of the children of slavery is shown to  
influence the transference of cultures across generations.

*Routledge*  
Children's play throughout history has been free,  
spontaneous, and intertwined with work, set in the  
playgrounds of the fields, streams, and barnyards. Children  
in cities enjoyed similar forms of play but their  
playgrounds were the vacant lands and parks.
