[Alienation, Nature, and the Environment - MIT Press](#) ...

A familiar argument claims that we are alienated from nature in that we have lost our connection to it and so try to replace it with a humanized world. But if humans are natural such a replacement is natural too, while if nature means the non-human then the alienation here is merely a matter of definition.

[Alienation and Nature in Environmental Philosophy eBook ...](#)

Many environmental scientists, scholars and activists characterise our situation as one of alienation from nature, but this notion can easily seem meaningless or irrational. In this book, Simon Hallwood critically analyses the idea of alienation from nature and argues that it can be a useful notion when understood pluralistically.
