American Identity and the Politics of Multiculturalism
American Identity and the Politics of Multiculturalism The civil rights movement and immigration reform transformed American politics in the mid-1960s. Demographic diversity and identity politics raised the challenge of e pluribus unum anew, and multiculturalism emerged as a new ideological response to this dilemma.
American Identity and the Politics of Multiculturalism ...
Multiculturalism has emerged to challenge liberalism as an ideological solution in coping with ethnic diversity in the United States. This article develops a definition of political multiculturalism which refers to conceptions of identity, community and public policy.
