Early Christian Political Philosophy - Oxford Handbooks

Early Christian political philosophy is not a unified, theoretical, and coherent system, but is embedded in a range of Christian works of apology, theology, and exegesis. Literate (and therefore elite) Christians from the apologists to Augustine were subject to a range of political and social pressures, and their political thinking was often

Direction: The Christian in Politics: Some Basic Problems

The Christian in Politics: Some Basic Problems. John H. Redekop . The sixteen problems described below derive, in part, from several basic assumptions. First, while most of the issues pertain to any society, I am assuming a democratic political setting. Second, although all Christian political activists would encounter the same sorts of issues, this analysis focuses on partisan involvement
