Buy Controversy in Victorian Geology by James A. Secord ...

Victorian Sensation (English, Paperback) James A. Secord When "Vestiges of the Natural History of Creation" was published anonymously in 1844, it sparked one of the greatest sensations of the Victorian era.

Victorian Geology

A common historical myth is that Victorian geology was torn between religious traditionalists and secular geologists. In fact long before the Victorian period all accredited geologists (with very few exceptions) agreed that the earth was millions of years old, that strata were layers from different times and the Book of Genesis was
