"Diplomacy of Conscience is a valuable book. By examining specific aspects of Amnesty International's widespread research and advocacy work, it goes well beyond the few shallow and dated studies of this critically important NGO."

Diplomacy of Conscience: Amnesty International and ...

Diplomacy of Conscience: Amnesty International and Changing Human Rights Norms is a study of how international human rights norms became solidified in the decades since 1961, when Amnesty International (AI) was founded.

Diplomacy of Conscience: Amnesty International and ...

The Universal Declaration of Human Rights gave form to the human rights movement, but its practical achievements came much later. Only in the last 30 years has an international human rights regime emerged, encompassing norms and principles of government conduct backed by treaties, commissions, monitoring groups, and the United Nations.
