Delicious Reads The Monuments Men Book Review by

We watched the trailer for "The Monuments Men" movie, which several Delicious Reads members went together to see that weekend. Though the movie isn't as historically accurate as the book (they even gave the main characters different names) and many of the events were over-dramatized, the overall feel for the book gives a little taste of what went on with the Monuments Men.

The Monuments Men 2014 IMDb

"The Monuments Men" very clearly wanted to help remember an important part of history and spark a debate about the cost of war on soldiers, civilians, and history and society. The debate is raging on, but the film missed the level of entertainment by not trusting its audience to be interested in exactly what happened.
