[Generation - Wikipedia](#)

A generation is "all of the people born and living at about the same time, regarded collectively". It can also be described as, "the average period, generally considered to be about thirty years, during which children are born and grow up, become adults, and begin to have children of their own". In kinship terminology, it is a [GENERATION | meaning in the Cambridge English Dictionary](#)

generation definition: 1. all the people of about the same age within a society or within a particular family; 2. a period of about 25 to 30 years, in which most human babies become adults and have their own children; 3. used to describe the nationality of someone belonging to the first, second . [Learn more.](#)

[Millennials - Wikipedia](#)

Millennials, also known as Generation Y or Gen Y, are the generational demographic cohort following Generation X and preceding Generation Z. There are no precise dates for when this cohort starts or ends; demographers and researchers typically use the early 1980s as starting birth years and the mid-1990s to early 2000s as ending birth years.
