### **Craving: Buy Craving Online at Low Price in India on Snapdeal**

In "Craving," Omar Manejwala, M.D., translates the neurobiology of this phenomenon into real and accessible terms, explaining why we just can't seem to get enough. He then gives us tools and guidance to find satisfaction without giving in to our cravings. Dr. Manejwala explains:

### **Diet Plan for Overeaters Anonymous | LIVESTRONG.COM**

Overeaters anonymous, or OA, is a group movement in which those who have a compulsive eating disorder offer each other support and fellowship with the goal of not overeating. OA doesn't promote any specific diet approach; the basis of the program is abstaining from the behavior of compulsive eating.
