on power relations in eleventh- and twelfth-century Muslim Spain as reflected in historical and literary texts of the period.

How the portrayal of women in media has changed.

The portrayal of women within magazines has been completely in line with what magazine brands have always done and will continue to do. They understand a particular audience, work out the most relevant, culturally important issues facing them whether it's political or social issues, or the latest concerns around health, wealth and beauty.

However, the content now reflects a general

The Portrayal of Powerful Women in the Media

The purpose of this research is to investigate the portrayal of powerful women in the media and to gain a perspective of different ways the media tend to elaborate and focus on gender issues to a greater extent than the general public may think.
