Race, Politics, and Social Change by John Solomos, Les ...

Race, Politics and Social Change has been written against this background of ongoing change and transformation of the politics of race in Britain and other industrial societies. It provides an account of the development and transformation of political debates about race and ethnicity through an analysis of the changing dynamics of racialised politics in Birmingham and in British society as a Race, politics, and social change (eBook, 1995)

[WorldCat.org]

Drawing on a wealth of original sources, this book explores the changing contours of the politics of race in the present social and political environment.
