An ethnography of shopfloor relations in a Mexican export-processing plant shows how labor control operates through the interpellation of both workers and supervisors as sexual subjects. In this plant, panoptic architecture evokes and focuses the male gaze in the service of 'quality'

and 'efficiency', and desire emerges as a force of production. Male supervisors are located as voyeurs and

Sexual objectification - Wikipedia

Sexual objectification is the act of treating a person as a mere object of sexual desire. Objectification more broadly means treating a person as a commodity or an object without regard to their personality or dignity.

Objectification is most commonly examined at the level of a society, but can also refer to the behavior of individuals and is a type of dehumanization. The concept of sexual
