Socio-Economic Rights in Emerging Free Markets - Routledge

Both China and India stress the importance of socio-economic rights, have ratified the International Covenant on Economic, Social and Cultural Rights and have in place a strong legal framework for the realisation of such rights. The constitutions of China and India accord significant importance to socio-economic rights and the both countries have numerous laws, regulations and policies that seek to implement various socio-economic rights. Socio-Economic Rights in Emerging Free Markets ... Socio-Economic Rights in Emerging Free Markets, London: Routledge. ABOUT THIS BOOK In the last decade or so, China and India have emerged on the global stage as two powerful free market economies. The tremendous economic growth in China and India has meant that they have been able to lift millions of people out of the poverty trap. This growth has not, however, been without problems. Apart
