The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied. Structural adjustment - Wikipedia

Structural adjustment programmes consist of loans provided by the International Monetary Fund and the World Bank to countries that experienced economic crises. The two Bretton Woods Institutions require borrowing countries to implement certain policies in order to obtain new loans. The conditionality clauses attached to the loans have been criticized because of their effects on the social sector. SAPs are created with the goal of reducing the borrowing country's fiscal imbalances in the short an.
