Case Studies | History and Policy

These case studies provide examples of best practice by historians and policy makers and showcase a wide range of H&P activities and impacts. They illustrate the many different ways that historians have succeeded in influencing public policy and offer insights into why civil servants in government departments, members of parliament, public inquiries, journalists and TV producers, think-tanks

Dr Sarah Chaney - School of History - qmul.ac.uk

My background is in public engagement, and I also work

as exhibitions and events manager at the Royal College of Nursing. Research I am currently researching the idea of compassion in British nursing: from models of charity, idealised motherhood and duty in the late nineteenth century to modern political debates around the NHS and nursing education.
