The Relationship Between Teaching and Research | How to Do ...

Teaching Ph.D. students about a particular subject matter is also a way to bootstrap research, by helping our students get to the frontier of knowledge more quickly than they otherwise would: I sometimes teach seminars on cutting-edge topics (above and beyond my teaching requirements) simply because I find the process to be an efficient way of helping students quickly ramp up on a topic

Teaching and Researching Motivation (Second Edition)

Teaching and Researching Motivation is a substantially revised second edition of the same book, which was first published in 2001. It maintains the structure and style of the successful first edition and has carefully preserved existing material, along with introducing an abundance of new perspectives on motivational research.
