The Politics of Compulsive Education Snaplit

The marketised and securitised shaping of formal education sites in terms of risk prevention strategies have transformed what it means to be a learner and a citizen. In this book, Karl Kitching explores racialised dimensions to suggest how individuals and collectives are increasingly made responsible for their own welfare as good or bad

The Politics of Compulsive Education Racism and learner

The Politics of Compulsive Education asks key questions about anti-racist responsibility across multiple education sites and explores how racisms are both shaped, and can be interrupted, by the interaction of the global and the local, as seen in terms of migration, the distribution of capital, media, education policy discourse, and teacher and learner identifications. It will be of interest to
