Macro Social Work Practice - Encyclopedia of Social Work

Macro social work practice includes those activities performed in organizational, community, and policy arenas. Macro practice has a diverse history that reveals Macro, Mezzo And Micro Social Work | Social Work License Map

Macro Social Work. The practice of macro social work is the effort to help clients by intervening in large systems. Examples include lobbying to change a health care law, organizing a state-wide activist group or advocating for large-scale social policy change. Macro practice is one of the key distinctions between social work and other helping professions, such as psychiatric therapy. Macro social work generally addresses issues experienced in mezzo or micro social work practice, as well as
