Lev S. Vygotsky Through others we become ourselves.

Prime meridian - Wikipedia

A prime meridian is a meridian (a line of longitude) in a geographic coordinate system at which longitude is defined to be 0°. Together, a prime meridian and its antimeridian (the 180th meridian in a 360°-system) form a great circle.

What is one word for 'view through anothers' eyes'? - Quora

Thinking about it, I find there are many ways to view something through the eyes of another person, depending on whether we mean an emotional content, a sensory piece of data, an experience or memory and its interpretation, or even the idea of a term, yet English doesn't have a single word for each way.
